Arena Mall

Located at the junction of two major thoroughfares - Kibuli and Nsambya Roads, the mall is STANLIB's first property development venture in Uganda, and is designed with two levels of enclosed shopping space and a rooftop cinema, entertainment and restaurant space and one basement parking.

Features

- ✓ Situated barely three kilometres south of the city's central business district, on a steeply rising slope, The Arena Mall will offer breath-taking panoramic views of the city scape and surrounding Nakasero. The Arena Mall site is easily accessible from the CBD through Kibuli Road on the north, Nsambya Road to the west, and Gaba Road from various southern suburbs.
- ✓ In close proximity of the site are the American embassy, Nsambya Hospital, the Kampala International University, Uganda Military Police Barracks ...
